Sir:

Applicants respectfully submit executed declarations responsive to the Decision dated 12 February 2007, for which a two month response time was set. Thus this document is considered timely filed if filed on or before 12 April 2007.

The 12 February 2007 Decision pointed out the following deficits in the executed declarations as previously submitted: (1) Inventor OLLMANN's name as it appeared above his signature on the executed Declaration was incorrectly spelled "Ollman"; and (2) the alteration to inventor LICKTEIG's mailing address was un-initialed. The previously submitted executed Declarations were sent back to the inventors to correct these deficits.

Thus, Applicants respectfully submit herewith executed declarations wherein (1) inventor OLLMANN has hand-written the correction to his name and initialed and dated this change; and (2) inventor LICKTEIG has initialed and dated the alteration to her mailing address.

The Examiner is invited to call the undersigned attorney if there are any outstanding issues to be resolved regarding the above-identified patent application.

It is believed that no fee is due in connection with this paper. However, if a further fee is due, the Commissioner is authorized to charge any fees required by the submission of the attached documents to our Deposit Account No. 50-1108.

Respectfully submitted,
EXELIXIS, INC.
